

Amendment No. 2 to

MUNICIPAL SOLID WASTE COLLECTION AND TRANSPORTATION AGREEMENT

(Residential/Polycarts, Commercial, Industrial and Recycling)

The City of Texarkana, Texas ("City") and Waste Management of Texas, Inc. ("Contractor"), both acting by and through their duly authorized representatives, desire to amend, as more particularly set forth below, the Additional Services section of the Municipal Solid Waste Collection and Transportation Agreement between the City and Contractor, which took effect on March 1, 2017 ("Agreement").

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed, and pursuant to Section 23 of the Agreement, the parties agree to amend the Agreement as follows:

1. Section 5.08(iii) of the Agreement, entitled "Additional Services" is hereby replaced with the following:

- (a) Contractor shall provide the City with 250, 30-yard Roll-Off Bin hauls annually for house demolition, neighborhood clean-ups, or other City projects. In lieu of 30-yard Roll Off Bins hauled by Contractor, City may substitute hauls by City trucks and count those hauls as part of the 250 total.
- (b) In addition, Contractor and City agree to change the designated annual time frame from Contract Year March 1 through February 28 to a Calendar Year January 1 through December 31, effective January 1, 2018 as to the 250-haul count.

2. Nothing contained herein shall be deemed to amend or modify the Agreement, except as expressly set forth herein. In the event of a conflict between the terms of the Agreement and this Amendment No. 2, the terms of this Amendment No. 2 shall control.

Signed this 10th day of October, 2017
